## South Carolina Alliance of Black School Educators

### *"Become a Teacher Seminar"*

SCABSE is driven to help others further their careers as well as their educational experiences. As a result, SCABSE teamed up with Coker College, CERRA, and Florence One to promote growth in the field of education.

On April 4, 2015, classroom assistants and other paraprofessionals from local districts received pertinent information about how they can advance their careers with evening and online courses.

Please stay in contact as we plan to offer more of these GREAT opportunities!

### *Alford T. Butler Golf Tournament*

The Alford T. Butler Golf Scholarship Tournament experienced another GREAT year of success. Supporters in and out of state experienced wonderful weather, played on a beautiful course, and enjoyed a FUN game of golf in support of our youths' advancements in education.

The scholarship is given for four years, pending academic performance. This year, we have a total of 16 recipients (present and new). We also had the pleasure of one of our current recipients, Devontey Jenkins, voice his appreciation of SCABSE's efforts in helping him and others in the state through the SCABSE scholarship fund.

### *"Financing Your College Education Seminar"*

Paying for college can be one of the toughest parts of earning a degree. Use our tips, tools, and etc. to stay current on the best ways to pay for college, including scholarships, grants, loans, savings, and more. High school students in all grades are invited to attend with their parents.

**Date:**  
**October 3, 2015.**

**Location:**  
**Lower Richland High  
School  
Eastover, SC**

**Time: 9:00am—Noon**

Registration begins in two weeks.
